Due before the start of the class on Wednesday, November 27

Please read Sections 5.3-5.5 of the textbook before starting on the problem set.

Written Assignment: Section 5.3: exercise 20
Section 5.4: exercises 20, 42.
Section 5.5: exercise 44.

The homework must be legible, and written in connected sentences that explains what you are doing. Just the answer (whether correct or not) is not enough. Please put your name on every page and staple the pages together. Homework should be handed in on time, late homework will not be graded.
