

Email Assignment

Due: Friday, 13 January 2023 before 17:00 EST

- Carefully read all three pages on the course website:
<https://mast.queensu.ca/~ggsmith/Math413/index.html>.
- Find and view Problems1. When is it due?
- Upload a yearbook-style photo of yourself to your onQ profile.
- Send an email message to the instructor containing the following four items.
 1. Math413 or Math813 in the subject line (good practice for all course related email).
 2. A brief review of the course website:
 - (i) What did you like?
 - (ii) What can be improved?
 - (iii) What errors did you found?
 - (iv) What information is missing?
 3. A short paragraph explaining why you are taking this course, how it fits within your educational goals, and what skills expect you anticipate developing. Is there anything the instructor should know about you?
 4. An acknowledgement that you understand the policies and procedures of this course.

If you cannot complete this assignment, then please contact the instructor as soon as possible.
