

Minerva Foundation Lectures

Professor **Itai Benjamini** (Weizmann Institute of Science)

Wednesday, April 18, 2018

1:00 pm to 2:00 pm in room 507

“Coarse Uniformization & Percolation”

“We will present an elementary problem & a conjecture regarding percolation on planar graphs suggested by assuming quasi invariance of percolation crossing probabilities under coarse conformal uniformization.”

Thursday, April 19, 2018

1:00 pm to 2:30 pm in room 507

**“Probability on Groups, a Bird Eye Survey
&
Open Problems”**

“I will review the state of the art in percolation on groups and & related topics.”
